- Comprehensive, impartial summary
- The latest FDA advisory committee decisions
- Essential background information to each decision
- Targeted, easy-to-read information
- Automatic email delivery

## WHO CAN BENEFIT

- Regulatory professionals
- Clinical trials managers
- Business executives
- Finance investors
- Legal departments

## A RANGE OF FDA BULLETINS TO MEET YOUR NEEDS

Preparing for an FDA advisory committee meeting? Need to stay on top of critical issues discussed at FDA advisory committees and workshops? Looking for critical information on FDA-approved products?

With *IDRAC<sup>®</sup> AdComm* solutions, you'll always be on top of FDA decisions regarding new product launches, product approvals and withdrawals, clinical trials, advances in new drug classes — and much more.

There is simply no faster or easier way to learn about critical FDA developments and voting decisions.

The regulatory intelligence you can gain will give you an important competitive advantage. And with such targeted information at your fingertips, you save significant time, effort, and expense.

## IDRAC ADCOMM BULLETIN

- CDER, CBER and Office of the Commission advisory meeting coverage delivered via email, soon after the meeting ends
- Concise and unbiased reports available in PDF format

For current *IDRAC* online regulatory database subscribers with the *IDRAC* links option installed, *IDRAC AdComm Bulletin* integrates links to *IDRAC* documents that are relevant to the issues discussed at the meetings and voted on by committee members.

## IDRAC ADCOMM PROFILES

- Individual FDA Advisory committee member biographies for all current CDER, CBER and Office of the Commission committee members. Includes background information, photos, and links to recent publications covered in Medline
- *IDRAC AdComm Profiles* available for current CDER committee members from August 2003 to present
- *IDRAC AdComm Profiles* available for current CBER committee members from April 2004 to present

Includes *IDRAC* links to individual member voting histories and advisory committees.

## IDRAC ADCOMM VOTING

- Compilation of voting histories by committee and by individual member, available from January 2002 to present for current CDER and CBER committee members
- Office of the Commission Committee members from 2007 to present

#### FDA WORKSHOP BULLETIN

Summarizes select FDA Workshops of interest. These workshops are usually convened to gather comments from the public in advance of the FDA developing draft guidance on important topics.

#### PRODUCT APPROVAL BULLETIN

Summarizes FDA approvals of new molecular entities, therapeutic biological agents, and products reviewed in *IDRAC AdComm Bulletin*. Includes *IDRAC* links to the FDA approval package, regulatory history, meeting coverage, relevant FDA and international product specific documents.
