

THOMSON ONE MOBILE FOR INVESTMENT MANAGEMENT

WHEN YOU'RE ON THE GO, WE GO WITH YOU

Bring the power of our Investment Management solutions to your mobile device. Thomson ONE Mobile delivers estimates, events, financials, news, quotes, alerts and market intelligence to your BlackBerry® Smartphone.

Stay connected to the critical information you need, even when you are on the move.

- **Access any-time, anywhere.** View the latest events, estimates, financials, news and quotes while you are away from your desk.
- **Stay connected.** Stay on top of the market and movement within your portfolios and watch lists.
- **Stay alert.** Track the latest price changes, research and breaking news stories with built in alerting.

INTEGRATED WITH YOUR WORKFLOW

Leveraging powerful content from the Thomson ONE desktop, Thomson ONE Mobile allows you to follow capital markets worldwide, set alerts on individual securities and manage your portfolios.

HOW ARE YOU TRACKING

Everything starts with your portfolio's performance. Create and manage portfolios that can be stored in a central database and shared across company IDs.

- View real-time security detail within a portfolio or watchlist, including last price, change (net and percentage), volume and market capitalization
- Receive data updates every ten seconds
- Access portfolio holdings to analyze performance on a security, sector, and portfolio level

Keep up with the latest corporate event information and view details in expanded rows.

POWERFUL CONTENT

Stay connected to the market leading content you rely on from Thomson Reuters, anytime.

- **Reuters News:** Access news, analysis and insight you need to make the best decisions for you and your clients
- **I/B/E/S and First Call Estimates:** Track street forecasts with detailed estimate information going back three years
- **Worldscope:** Examine five years of fundamental history
- **StreetEvents:** Keep up with the latest corporate disclosure and brokerage event information
- **First Call Broker Research:** Gain access to most comprehensive collection of original-format equity and fixed income research reports and market commentary

ANYTIME, ANYWHERE

- Create and share portfolios and watchlists seamlessly between Thomson ONE and your BlackBerry®
- Keep up with the latest corporate disclosure and brokerage event information brought to you by StreetEvents
- Track street forecasts with detailed estimate information from I/B/E/S and First Call
- Examine company fundamentals from the Worldscope database
- View headlines and detailed stories on the go from multiple news sources
- Access quote and set price alerts for multiple exchanges around the world
