

THOMSON REUTERS BANKER COVERAGE FOR iPhone

WHEN YOU'RE ON THE GO, WE GO WITH YOU

Staying on top of your coverage universe is a continuous challenge while on-the-go. Thomson Reuters Banker Coverage helps you to follow the areas that are important to you and keep a pulse on market moving news – all from your iPhone.

FOCUS & RELEVANCE FOR DEAL MAKERS

Leveraging Thomson Reuters premium content for financial professionals, Banker Coverage filters out market noise and surfaces the information that is most relevant to you.

- **Insight** – access quality commentary and analysis with Reuters Breakingviews and Top News, as well as IFR News.*
- **News** – scroll through in-depth coverage of sectors, products and regions.
- **Lists** – follow customized watchlists and make important discoveries about your companies.
- **Research & Deals** – identify relevant information for the deal making community.

RESPOND QUICKLY TO MARKET CHANGES

Track market activity for a selection of your stocks, including quotes, significant developments, deals and full PDF research.* Quickly discover any unusual activity within your coverage universe and respond without delay.

KEEP AN EYE ON WHAT MATTERS TO YOU

Save critical findings to the Briefcase, a feature that creates convenient access to companies, research and documents within your sectors and industries. Easily return to this content online or offline, and share news and commentary with others via e-mail.

SYNCH WITH THOMSON ONE

Connect to your Thomson ONE account anywhere with Banker Coverage. With instant access to information within the areas you already cover, there's no need to recreate watchlists – the app will open with your existing lists, allowing you to access news, market data and company research immediately.

NEW PLATFORM, NEW POSSIBILITIES

Capitalizing on the iPhone's capabilities, Banker Coverage takes a visual approach to presenting financial information. The app displays market activity with clear, crisp graphics on an interactive, multi-touch interface.
