

# THOMSON REUTERS NEWS ARCHIVE

ACCESS NEWS ARTICLES FROM WELL-KNOWN SOURCES GLOBALLY

Do you have to search through multiple resources for current and historical news articles? Are you still missing important information? Thomson Reuters News Archive provides integrated access to comprehensive company and industry news from around the world.

Available as an add-on module to Thomson ONE, our Web-based News Archive solution delivers historical news articles from over 12,000 global sources—many of which date back more than 30 years. News sources include:

- Newspapers and newswires
- Magazines, from general interest to highly specialized
- Industry, occupational and scholarly journals and newsletters
- Broadcast and cablecast transcripts
- Online sources and “blogs”

## SINGLE SOURCE FOR RELIABLE NEWS

Our premium global news archive will help you:

- Track public and private companies worldwide
- Monitor industry activities globally
- Follow new technologies and innovations
- Identify deal opportunities

## ADVANCED SEARCHING AND ALERTS

Our intuitive interface and advanced search capability make it easy to locate articles on companies, people, products, deals, and other topics of interest. Take advantage of the following functionality to achieve results faster:

- Advanced search terms – Screen for news by industry, company, subject, location and free-text
- Saved searches and email alerts – Receive email alerts straight to your inbox or mobile device, based on your saved searches

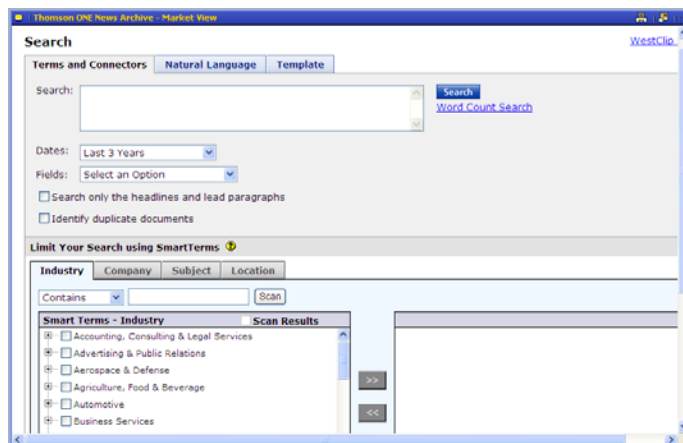

## AVAILABILITY

This robust news archive database is available as an add-on module to the Thomson ONE solutions outlined below. View historical news alongside, public and private company profiles, embargoed broker research, deals data and more.

- **Thomson ONE Corporate Research** – Retrieve company information to empower timely decision-making across your company. View public and private company profiles, Reuters News, Investext after-market broker reports, and StreetEvents briefs and transcripts.
- **Thomson ONE Corporate Intelligence** – Monitor developments that impact your company with comprehensive market and peer analysis. Access market data, broker research and estimates, SDC M&A deals data, Spreadsheet Link Excel add-in, and Thomson ONE Mobile.
- **Thomson ONE Corporate Development** – Fuel your growth strategy with in-depth deals analysis. Locate corporate guidance, equity ownership, SDC deals data, and VentureXpert private equity profiles and transactions. Conduct custom modeling using our Spreadsheet Link Excel add-in.
