

REUTERS KNOWLEDGE CORPORATE

INSIGHT FOR STRATEGIC DECISION-MAKING

You can get the facts from anyone—you rely on us for knowledge that matters. From the insights that inform crucial business decisions, to the sharp analysis that advances thinking across your profession, we're your source for the most critical intelligence.

FEATURES OF REUTERS KNOWLEDGE CORPORATE

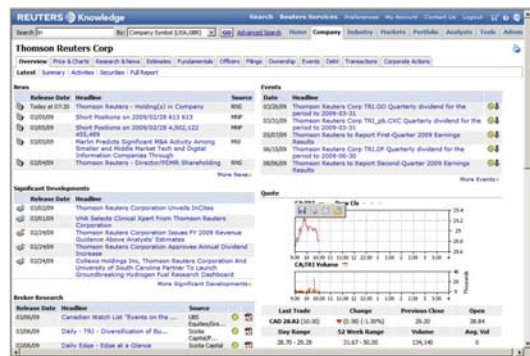

To assist with your knowledge gathering, this solution combines the following information on companies, industries and markets into one solution:

Research

- Reuters broker research – Depending on your broker relationships, access real-time broker and independent research from more than 1,000 sources.

News

- Reuters News – Monitor news about the general political, social, and geographic environment surrounding your organization. With thousands of experts in the field, you'll be there in real-time, so you never miss a moment.
- Significant developments – Identify key events affecting company performance. Search by date, headline, industry and topic, such as M&A, spin-offs, restructuring and earnings outlook.
- Reuters Summits - Gain insight into the minds of industry leaders who break news and move markets. Learn their story in their own words.
- Factiva - Add context to current events with the historical archive of over 5,500 periodicals, news weeklies and specialist publications.

Access public company information, including: fundamentals, filings, estimates, ownership, debt and historical M&A deals.

Company information

- Public company profiles – Gather background information including business activities, financial summaries, industry classifications and contact information.
- Officers and directors data – Locate comprehensive profiles on company officers and directors with degrees of separation and compensation information.
- Reuters & IBES estimates – Access detailed and consensus analyst forecasts of future performance.
- Filings – Uncover annual and interim filings from more than 90 countries. EDGAR and SEDAR documents date back to 1995.
- Fundamentals – Locate standardized and as-reported financial statements with business and geographic data. Employ over 500 pre-calculated financial ratios for quicker analysis of companies and performance benchmarking.
- M&A deals data – Uncover and analyze historic corporate transactions.
- Debt – Find thorough corporate debt information, including credit information, terms and conditions, descriptions, valuation, schedule and notes.
- Equity ownership - Access historical ownership information about you and your peers.
- StreetEvents calendar – Obtain a list of upcoming company and economic events.

Industry and economic data

- Industry overviews – Locate detailed industry descriptions, aggregated analyst recommendations by industry and geography, and more. Create views at a global, region and country level.
- Market data - Track movements with streaming pricing data on exchange-traded and OTC securities.
- Datastream (static charts) - Follow key economic indicators to anticipate economic conditions.
