STREETEVENTS SERVICES

Event Calendar

Listen to webcasts of your peers' earnings, guidance, M&A and other corporate conference calls. Create watchlists and receive alerts to stay informed. View a customized calendar of events for companies on your watch list, and set up alerts so you stay informed.

Event Briefs and Transcripts

Read unbiased summaries and full-text transcripts of these calls, including the Q&A. Features include:

- Search by keyword or phrase
- Link from the summary to the corresponding portion of the full-text transcript and webcast
- Download to Microsoft® Word, Text or PDF
- Set up e-mail alerts to notify you of new transcripts and briefs

Guidance

Gain a full picture of a company's financial performance. We gather both numerical and non-numerical guidance information from historical and current company disclosures. These include transcripts, press releases and webcasts. Delivered in an easy-to-use format, features include:

- Review premier qualitative and quantitative guidance data—over 100 measures!
- View the full revision history
- Link directly from guidance data points to their source document
- Export to Microsoft® Excel

Delta Reports

Save time with consolidated SEC filings of your peers. Eliminate the manual process of comparing changes between a company's sequential 10-Qs and 10-Ks. Delta Reports automatically identify and highlight changes, deletions or additions. Other features include:

- Filter by filing type or date range to locate the most relevant reports
- Toggle between the current and previous filing
- Conduct keyword searches within each report
- Receive e-mail alerts when Delta Reports are available for companies in your watchlist
- View online or download to PDF

Maximize your research efforts. Delta Report makes comparing filings easy and efficient.
