

PRIVATE EQUITY MODULE

THOMSONONE.COM INVESTMENT BANKING

The Private Equity module is available as an add-on to ThomsonONE.com Investment Banking and includes over 30 years of daily-updated history covering buyouts, private equity funds, firms, executives, portfolio companies and limited partners around the world.

The Private Equity module is powered by VentureXpert, the premier source for comprehensive information on buyout and venture firms and their funds, executives, private equity backed companies, and limited partners. It also provides analytics on fund performance, commitments, disbursements, and statistics.

BENEFITS OF THE PRIVATE EQUITY MODULE

With the Private Equity module on ThomsonONE.com you can:

- Identify potential investors likely to support follow-on rounds
- Uncover candidates that may be ripe for a merger, acquisition or divestiture
 - Search and report on PE/VC backed and non PE backed private companies – including their financial and employment figures
 - Search venture and buyout-backed companies by industry, location, round size, round date, business description and keywords, among other criteria
- Determine the best partners, co-investors or buyers for your exit strategy
- Compare private company valuations and deal terms for fairness opinions and term sheet negotiations
- Reduce time and fees spent obtaining and researching certificates of incorporation
- Create customized transaction and statistical investment reports and customized company reports
- Use competitive intelligence to invest in funds
 - Benchmark performance with the industry-leading fund performance database
 - Analyze both cash-on-cash and unrealized return multiples
 - View aggregated fund cash flows historically for modeling purposes

CONTENT HIGHLIGHTS

- 1.2 million global private companies
- Over 25,000 venture, buyout and mezzanine funds as well as their management firms, including nearly 80,000 PE/VC backed companies
- Limited partners
- Contact details and short CVs for executives
- Underpinned by the database formerly known as Thomson Venture Economics

COMPREHENSIVE ANALYSIS FOR:

- Portfolio company investments
- Fundraising commitments
- Company valuations
- Fund performance benchmarks
