Market Research collection – Pay-per-view, in-depth primary research and statistics, interviews with industry leaders, survey results, forecasts, market size/share data and market segment analysis. Over 50 market research sources, including IDC, Euromonitor, Datamonitor, Global Industry Analysts and Forecast International.

THE WORLD'S MOST COMPREHENSIVE DATABASE OF ANALYST RESEARCH REPORTS

Written by analysts at more than 1,400 investment banks and independent research firms, Thomson Reuters embargoed analyst research collections offer authoritative analysis of companies, industries, products and markets across the globe. The reports, embargoed for an average of seven days from publication, provide unique insight, including forecasts and opinions, from the most sought-after industry experts.

BENEFITS OF THE RESEARCH COLLECTIONS

- With the precision search capabilities of ThomsonONE.com Investment Banking you can drill-down into the research you need to help you make confident decisions.
- Thomson Reuters provides in-depth tables of contents for each report, with indicators to each page where a chart, table, graph or exhibit is present, including details of fundamentals available (PE, EPS etc).
- Project tracking enables you to allocate report usage and costs to customized project codes so you can track your spending.
- Searches across all the research collections can be commingled, providing a complete research picture.

The screenshot displays the ThomsonONE.com search interface. At the top, there are search options including a company name field, asset class (All, Fixed Income), date range (Custom, 06/16/09 to 07/02/09), and report type (Company, Industry, Geographic, Investing/Economic). Below this is the 'More Options' section with fields for keywords, title, report number, and contributor. A search button is visible. The results section shows a table of search results with columns for PVP, IDC, Title, Date, Pages, Contributor, Analyst, Language, and Report #. The first result is 'SOUTH KOREA AUTOS - JUNE VEHICLE SALES ROUND-UP: WE UPGRADE KI' from J.P. Morgan, dated 07/02/09, with 11 pages.

Search across research collections with simple company and industry look-ups, or use our powerful search technology to find the precise report you need

The screenshot shows the 'Table of Contents' interface for a report. It includes a 'Select All Reports' checkbox and a list of report sections. The first section is 'AUTOS - JUNE US AUTO SALES: CLEAR SHIFT IN MIX' from Morgan Stanley, dated 07/02/09, with 11 pages. Below this, there is a list of keywords and a detailed table of contents for the report, including sections like 'Graph - Exhibit 4 US Regular Gasoline Price (cent/gallon)', 'Page 4', and 'Page 5 hybrid (1)'. The interface also shows a 'View' button and a 'Close' button.

Our enhanced tables of contents provide key details to help you find the exact chart or page you want, along with the ability to view key words in context

35 EXCLUSIVE SOURCES INCLUDING:

Credit Suisse, Bernstein Research, BNP Paribas Securities (Asia), Grupo Santander, HSBC Global Research, Macquarie, Société Générale, Wachovia

ABOUT THOMSONONE.COM INVESTMENT BANKING

ThomsonONE.com Investment Banking consists of a foundation solution and a set of add-on modules so you can tailor your view on the markets to your exact needs. The foundation solution provides market awareness and company insight with all the information you need for an overview of a company, its peers or the market as a whole. The add-on modules provide even greater breadth and depth of content and powerful functionality.

MORE EXPERTS, MORE ANSWERS

35 analyst research firms distribute their reports exclusively through Thomson Reuters, including Credit Suisse, Bernstein Research, BNP Paribas Securities (Asia), Grupo Santander, HSBC Global Research, Macquarie, Société Générale, and Wachovia. In addition, several contributors are only available on a subscription basis (instead of pay-per-view) through Thomson Reuters, including J.P. Morgan, Morgan Stanley and CA Cheuvreux.

Thomson Reuters is constantly increasing the breadth and depth of content coverage among both global and regional research firms. We have added over 200 new sources since the start of 2008.

Active contributors from the Investext and Research Select collections include:

- 9 of the top 10 pan-European brokerage firms (for equity and equity-linked research) from the Thomson Reuters Extel Survey 2009
- 9 of the top 10 firms from Institutional Investor's All-Europe Research Team 2009
- 9 of the top 10 firms from Institutional Investor's All-America Research Team 2008
- 8 of the top 10 firms from Institutional Investor's All-Asia Research Team 2009

FILTER AND SEARCH TO QUICKLY IDENTIFY THE REPORT YOU NEED

Easily search through analysis on 60,000 companies in every industry around the globe, with over ten million reports in the existing database and more than 3,000 new reports added every day.

- Quick filtering allows you to find the precise in-depth report you need
- Search for specific words and phrases in the title or text
- Limit results by the number of pages in a document
- Quickly find initiating coverage reports
- View detailed tables of contents, as well as ability to view your searched word or phrase in context

Build the complete picture with reports providing indispensable insights into:

- Financial forecasts
- Company strategy
- Industry trends
- Company valuation
- Competitive analysis
- Market share
