

REUTERS NEWS GRAPHICS SERVICE

VISUAL ANALYSIS OF WORLD EVENTS

Focusing on the increasing need for quality information graphics, Reuters News Graphics Service illustrates topical news events and issues – presenting visual information clearly. We provide in-depth visual analysis across a broad spectrum of topics including politics, science, economics, sports and the environment.

Delivering over 700 news graphics each quarter, Reuters news graphics are delivered in an editable Adobe Illustrator file. Each can be published directly or easily modified to suit your house editorial style. Individual elements can also be extracted for use in your own graphics. Planned event packages are delivered well in advance to facilitate planning.

This service is available in English, Arabic, French and Spanish.
