Special Note

Special Note Regarding Forward-Looking Statements, Material Assumptions and Material Risks

This presentation consists of these slides and the associated remarks and comments, which are related and intended to be presented and understood together.

Certain statements in this presentation and discussion are forward-looking, including, but not limited to, statements regarding the company's full-year 2024 outlook and other expectations regarding the future financial and operational performance of the company and its individual business segments, the company's strategic priorities, initiatives and opportunities, the company's expectations regarding TR Ventures and the company's expectations regarding its liquidity and capital resources. While the company believes that it has a reasonable basis for making forward-looking statements in this presentation, they are not a guarantee of future performance or outcomes and there is no assurance that any of the events described in any forward-looking statement will materialize. Forward-looking statements are subject to a number of risks, uncertainties and assumptions that could cause actual results or events to differ materially from current expectations. Many of these risks, uncertainties and assumptions are beyond our company's control and the effects of them can be difficult to predict. Some of the factors that could cause actual results to differ materially from current expectations are discussed in the "Risk Factors" section of our annual report and in other materials that we from time to time file with, or furnish to, the Canadian securities regulatory authorities and the U.S. Securities and Exchange Commission.

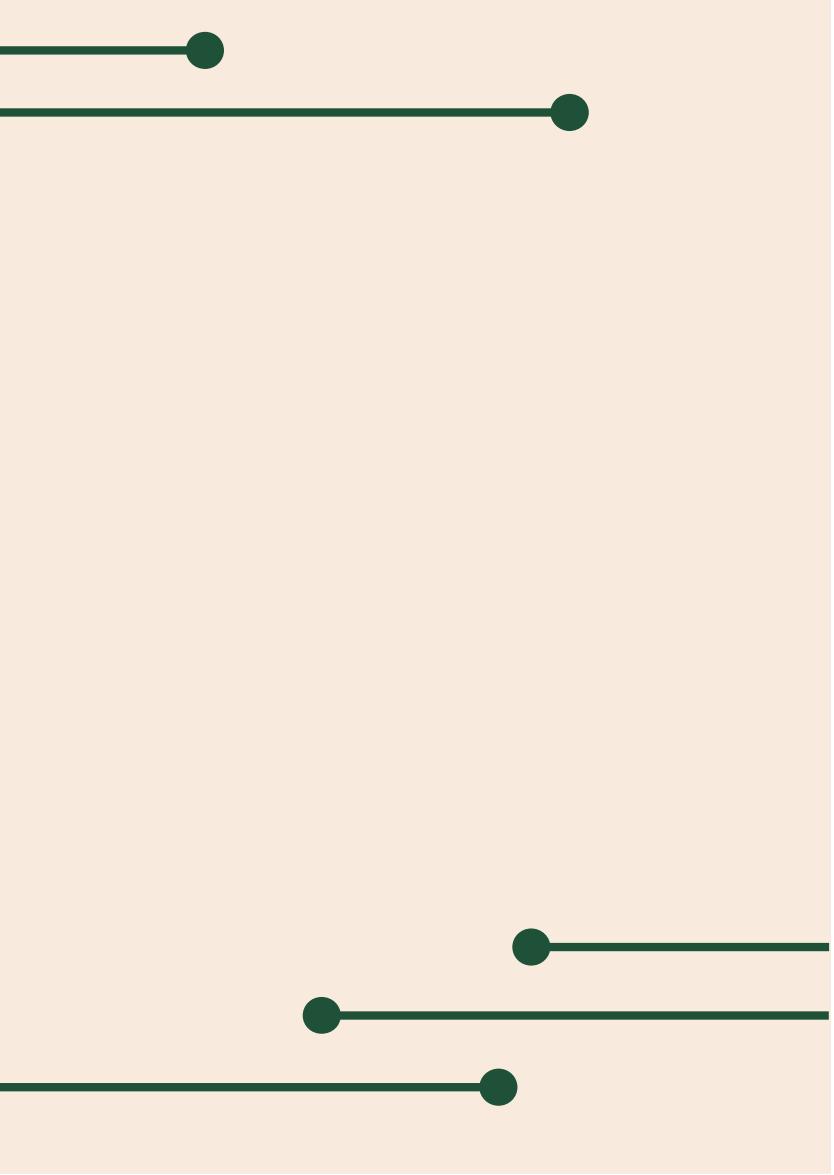

Our company has provided a business outlook for the purpose of presenting information about current expectations for full-year 2024. This information may not be appropriate for other purposes. You are cautioned not to place undue reliance on forward-looking statements which reflect expectations only as of the date of this presentation. Except as may be required by applicable law, Thomson Reuters disclaims any obligation to update or revise any forward-looking statements.

The company's business outlook is based on information currently available to the company and is based on various external and internal assumptions made by the company in light of its experience and perception of historical trends, current conditions and expected future developments, as well as other factors that the company believes are appropriate under the circumstances. Please refer to the first quarter management's discussion and analysis and our earnings release dated August 1, 2024, each of which is available on www.tr.com, for a discussion of material assumptions and material risks related to our business outlook.

Non-IFRS Financial Measures

This presentation contains disclosures of certain non-IFRS financial measures. These measures include adjusted EBITDA and the related margin (other than at the customer segment level), free cash flow, adjusted earnings, adjusted EPS, effective tax rate on adjusted earnings, accrued capital expenditures expressed as a percentage of revenues, net debt to adjusted EBITDA leverage ratio, selected measures excluding the impact of foreign currency, changes in revenues computed on an organic basis as well as all financial measures for the "Big 3".

Please see our earnings release dated August 1, 2024 and our leverage ratio calculation, which are available on www.tr.com, for a reconciliation of each of Thomson Reuters' measures to the most directly comparable IFRS financial measure.

President & CEO**

Second-Quarter 2024 Highlights

1. Good Q2 results met expectations

- Q2 organic revenue growth of 6%, driven by 8% recurring revenue growth
 - “Big 3” (Legal, Corporates, and Tax & Accounting) organic revenue growth of 8%
- Modest Q2 adjusted EBITDA margin upside vs. expectations; expect pace of investment to increase in H2

2. Raised FY 2024 total and organic revenue guidance to high end of ranges

- Total Revenue growth outlook of ~7.0%; Organic Revenue growth of ~6.5%
- Big 3 Total Revenue growth raised to ~8.5%; Big 3 Organic Revenue growth to ~8.0%
- Depreciation & Amortization and Interest Expense (P&L) outlooks also adjusted; all other metrics are unchanged

3. 2024 investments on track, positioning TR for 2025-2026 revenue acceleration

- Product roadmap updates: CoCounsel Drafting and Checkpoint with CoCounsel both successfully launched in July
- Pagero integration underway; TR Ventures brings important market insights to innovation process

4. Robust liquidity and capital capacity to support additional M&A and shareholder returns

- Completed LSEG monetization and \$1 billion NCIB (launched last November) in the second quarter
- Robust capital position with net leverage of 0.6x at June 30; we continue to estimate ~\$8B of capital capacity by 2026
