

# Yellow Cab Drivers: Help Us Stop Human Trafficking!

Human Trafficking is the use of force, fraud or coercion to induce someone into performing a sex or labor act.

Individuals are trafficked every day, though human trafficking can increase around special events. Traffickers are known to use taxis to transport victims, and taxi drivers are often the first person traffickers and victims meet at bus terminals and airports. If you recognize any of the following indicators, please report the suspicious activity to the National Human Trafficking Resource Center 1-888-373-7888. You can report a confidential tip 24/7 (200 languages available).
