2

High-level proforma information including the proforma invoice number, billing account number, proforma creation date, and if applicable, the purchase order number.

3

Total Due amount can be found at a glance. Proforma invoices do not have a Payment Due date as they are a preliminary bill of sale created upon request.

4

The Product Detail section will include line item detail for the products or services you have requested the Proforma invoice to cover. The requested service date range along with the monthly price will be listed as well as the estimated tax and line item total.

5

It is important to note that Proforma invoices are a preliminary bill of sale and both Pricing and Tax are subject to change. If applicable to the product or service listed, ancillary charges will be billed separately and are payable.
