

BUSINESS LAW CENTER ON WESTLAW NEXT

Welcome to the center of smarter, faster
business law research

PRACTICAL LAW™ INTEGRATES WITH THE BUSINESS LAW CENTER.

This is how you can go from legal know-how to precedents in a matter of seconds. Links from Practical Law content take you directly to related precedent examples in the Business Law Center, streamlining your research and saving you time.

When gathering legal “know-how,” how do you know if you’ve found all of the information that is relevant to your matter? How can you be sure you’ve uncovered the *right* information? And how do you find vital information without consuming far too much time?

The Business Law Center™ on WestlawNext® connects legal know-how with the latest precedent examples, deal information, and regulatory insight to keep you informed and on track.

ALL THE BUSINESS INFORMATION YOU NEED, UNDER ONE ROOF

The Business Law Center expands the scope of your research by positioning the latest precedent examples, more than 900,000 M&A deals, one of the largest collections of private placements, offering memorandum and sections searchable filings. That gives you more business sources in one place and the most advanced legal search technology so your information search is more streamlined and more productive.

Streamline your research with advanced functionality

Enhanced search capabilities help you drill down deeper – and more accurately – so you spend less time looking for information and more time putting it to use.

Zero in on relevant results by identifying key search criteria related to topics associated with M&A, capital markets, loan and bond transactions, and much more.

Organize and manage your business law documents with advanced folders and then share those findings and collaborate on the research within your organization.

Stay informed and up to date

Access information that actually informs through abstracts and analytics tied directly to your search. Cover more ground in any one area – broaden the reach of your review by incorporating new content into your business law search, such as bonds, loans, and enhanced private and public M&A content.

Connect the research dots

You can view related content tabs every time you run a search. With a single click, you can jump from a filing to its associated transaction summary, related agreements, and even related SEC comment letters. Pull in all of the relevant information you need to complete your research.

Gain a competitive advantage

The Business Law Center delivers unmatched content and search capabilities with more accuracy and efficiency. And that gives you a serious competitive edge.

IMPOSSIBLE REQUESTS ARE NOW POSSIBLE

Our business law experts are available 24/7 to help you navigate the intricacies of business law research. Their years of experience in corporate organizations, departmental structures, SEC research, and more give our Experts On-Call the ability to help you save time and money.
