## 2022 Wisconsin Standard Deduction Table

Most people can find their standard deduction by using this table. But, do not use this table if either of the following applies:

- The taxpayer (or spouse if filing a joint return) can be claimed as a dependent on another person's (for example, parent's) income tax return. Use the *Standard Deduction Worksheet for Dependents* on Page WI-6 to figure the standard deduction.
- The taxpayer is filing a short period income tax return or is filing federal Form 4563 to claim an exclusion of income from sources within U.S. possessions. The taxpayer is not allowed any amount of standard deduction. Fill in zero on line 8.
